

Moultonborough Conservation Commission Meeting Minutes
Friday, August 12, 2016
1:00 pm
Moultonborough Town Hall

1. Attendees: Marie, Brian, Bill. Guests: Bob Clark and Ed Harrington
2. Strategy for obtaining Lee's Pond Preserve.
 - Much discussion on tying in with work done by the Nature Conservancy and Lakes Region Conservation Trust.
 - Much of the Red Hill River watershed is protected, so linking the Lee's Pond Preserve property with it makes sense. A bigger picture.
 - Short term goals are to establish partnerships with the two conservation groups, to extend what others have done.
 - The LRCT term "Red Hill River Conservation Area" will be used in conjunction with the Lee's Pond Preserve project.
3. The meeting adjourned at 2:05PM.
